

SAMPLE YOUTH CAMP ITINERARY 2021

Volcano Adventure Camp

*The following itinerary is intended as a sample only. You can design your trip by choosing from a variety of ranger programs or self-led activities. This is a “Five Day” itinerary. Your trip may be either shorter or longer. We encourage groups to engage in a ranger led activity daily. The Youth Camp Ranger is available to help you plan your itinerary. **Please note** that Ranger-led campfire (evening) programs are not available in 2021 due to staffing restrictions caused by the COVID-19 pandemic. However, we encourage each group to participate in their own campfire with the kids!*

Arrival & Departure: *Groups may check in after 1pm on the day of arrival and need to vacate camp before 11am on the day of departure.*

Day One- Arrival (1pm or later) — Park sites: Volcano Adventure Camp

Upon arrival at Lassen Volcanic National Park, the Youth Camp Ranger will meet you at the Volcano Adventure Camp and provide an introductory experience for you and your campers!

Orientation (required) — Youth Camp Ranger-led Activity: The group will review safety and behavioral expectations. The group will learn what a national park is and why Lassen is protected and preserved as an important natural and cultural resource.

Volcano Adventure! *The Four Types of Volcanoes at Lassen.* Youth Camp Ranger-led Activity: *For 6th graders and under, this will consist of a volcano demonstration where the ranger engages the kids with a model depicting various types of eruptions. *For sixth graders and older, the campers will participate in an activity where the whole group is divided into volcano teams. They will use models to share what they learned with their fellow campers.

Get acquainted with the Volcano Adventure Camp and Lassen! The Youth Camp Ranger will provide orientation information and/or directions as needed (this will also be communicated prior to your arrival at the park). Depending on what time you arrive at the park, you may just want to unpack and get set up in your tent cabins, utilize the pavilions to make a meal, or even go and enjoy a self-led hike on a park trail.

Day Two—Park Sites: Devastated Area, Mill Creek Falls Trail, and Volcano Adventure Camp

Morning—Youth Camp Ranger-led Activity: Campers will participate in in a ranger-led activity at the Volcano Adventure Camp, or another unique park site.

Example: “Devastated Area—Rock Cycles”

The Youth Camp Ranger meets your group at the Devastated Area and they participate in an activity where they learn about how the Devastated Area was formed through dramatic volcanic eruptions and other geologic processes.
