Logistics

The Lassen Park Foundation (LPF) is a 501(c)3 non-profit corporation, founded in 1984. LPF is a fundraising partner to Lassen Volcanic National Park (LVNP), focusing on capital projects, trail restoration, and youth camping. In 1996, LPF in collaboration with LVNP initiated an At-Risk Youth Camping Program to provide funds to youth organizations and schools throughout northern California to travel and camp in LVNP for 3-7 days.

The current Board of Directors is comprised of up to 50 members, each of which is committed to a \$2,000 annual "Give or Get" policy. "Give or Get" means to either give a minimum of \$2,000 in cumulative annual donations, or to solicit or "get" the equivalent in donations (cash or in-kind) on behalf of LPF.

The Board meets three times annually in February, June, and October on the 2nd or 3rd Friday of those months. Board members also participate in at least one of the committees (listed below), which operate under the direction of the Board of Directors.
